

Q-BANK GROUP

PE Capital Providers Intelligence Dataset — Data Dictionary & Sample

This dataset is not scraped, aggregated, or purchased from third-party sources. It is built from direct transactional engagement between Q-Bank Group and private capital providers.

Coverage Snapshot

Metric	Value
Total firms	414
Firms with named decision-maker contacts	94% (Premium + Standard)
Verified personal email rate (relationship-tiered)	99.3%
Email deliverability	Above 98%
Investor type classification	100%
Institutional third-party enrichment (PitchBook)	46.9%
Relationship-tiered firms	142 (34% of dataset)
Documented professional interactions	More than 17,000
Estimated or inferred fields	Zero

Data Dictionary

Product-facing fields delivered via CSV export and web application. Fields marked Premium are populated on Premium-tier firms only.

Field	Type	Coverage	Description
Firm Name	Text	100%	Legal or commonly known firm name
Investor Type	Category	100%	Primary classification (PE/Buyout, Family Office, Mezzanine, Growth/Expansion, etc.)
Firm Description	Text	95%+	Business description, investment focus, and strategy overview
Preferred Industry	Text	~36%	Primary sector focus (Technology, Healthcare, Industrials, etc.). Premium tier.
HQ Location	Text	~44%	Headquarters city and state/country where available
AUM	Numeric	Premium	Assets under management. Institutional third-party verified.
Dry Powder	Numeric	Premium	Uninvested capital available for deployment
Fund Count	Integer	Premium	Number of funds raised
Latest Fund Size	Numeric	Premium	Most recent fund size
Investment Preferences	Text	Premium	Sector, geography, deal size, and stage preferences
Primary Contact Name	Text	94%	Named decision-maker (Managing Partner, Principal, etc.)
Primary Contact Title	Text	90%+	Professional title of primary contact

Primary Contact Email	Text	94%	Verified personal email (not generic firm inbox)
Primary Contact Phone	Text	Premium	Direct phone number
Website	URL	81%	Firm website
LinkedIn URL	URL	Partial	Firm LinkedIn profile where available
Data Coverage	Category	100%	Tier classification: Premium, Standard, or Extended Coverage
Relationship Strength	Category	100%	Relationship classification based on proprietary sourcing methodology

Tier Breakdown: Premium (194 firms) — Standard (168 firms) — Extended Coverage (52 firms). Tiers reflect depth of verified data, not firm quality or investment capability.

Sample Records

Representative sample showing schema structure and data depth across all three tiers. Contact information has been replaced with role-level descriptions to protect proprietary data. Actual records include named individuals with verified personal email addresses.

Firm Name	Investor Type	Industry	Data Coverage	AUM	Contact	HQ
Macquarie Capital	PE/Buyout	Diversified	Premium	\$4.2B	Senior Partner	New York, NY
Platinum Equity	PE/Buyout	Technology	Premium	\$48B	Managing Director	Beverly Hills, CA
Sun Capital Partners	PE/Buyout	Consumer	Premium	\$10B+	Investment Team	Boca Raton, FL
Sentinel Capital Partners	PE/Buyout	Healthcare	Premium	\$6.5B	Managing Director	New York, NY
Tishman Speyer	Real Estate	—	Standard	—	Investment Team	New York, NY
Brightstar Capital Partners	PE/Buyout	—	Standard	—	Senior Partner	New York, NY
Longshore Capital Partners	Mezzanine	—	Standard	—	Managing Partner	—
Palisade Capital Management	Growth/Expansion	—	Standard	—	Principal	Fort Lee, NJ
Ridgemont Equity Partners	PE/Buyout	—	Extended	—	—	Charlotte, NC
MSD Partners	Family Office	—	Extended	—	—	—

Note: Contact names and emails have been replaced with role-level descriptions. Actual dataset records include named individuals (e.g., John Smith, Managing Partner) with verified personal email addresses. Phone numbers are available for Premium-tier contacts. AUM figures shown are illustrative of data depth; actual figures are sourced from institutional third-party providers.

Sample composition: 4 Premium — 4 Standard — 2 Extended Coverage. Orange dividers separate tiers. The “—” symbol indicates the field is not populated for that tier or firm.
